

Florida Wildlife Federation’s mission is to conserve wildlife, habitats, and natural resources through education, advocacy, and science-based stewardship.

Volunteer Role Description: Conservation Action Team Volunteer

Position Overview: We are seeking passionate volunteers to join our Conservation Action Team (CAT) to help make a direct positive impact on Florida’s natural habitats and wildlife. As a Conservation Action Team Volunteer, you’ll become a vital ambassador for the Florida Wildlife Federation participating in hands-on conservation activities like beach clean-ups, native plant gardening, and other environmental initiatives across Florida, while proudly representing our organization.

Duties:

- Attend and actively participate in environmental action events such as beach clean-ups, native plant gardening days, and habitat restoration projects throughout Florida.
- Serve as a representative of the Florida Wildlife Federation, advocating for our mission, initiatives, and conservation efforts.
- Engage with event attendees, community members, and fellow volunteers to promote environmental stewardship and sustainable practices.
- Collaborate with event organizers to ensure smooth coordination and effective participation in conservation activities.
- Share your passion for wildlife conservation and encourage others to get involved in protecting Florida’s natural ecosystems.

Qualifications:

- Passionate about environmental conservation and committed to preserving Florida's wildlife and natural resources.
- Enjoys participating in outdoor activities and hands-on conservation efforts.
- Communicates effectively and can represent the Florida Wildlife Federation professionally at events.
- Willing to travel to various locations across Florida to participate in environmental action events (travel distance is voluntary).
- Able to work collaboratively as part of a team and independently with initiative and enthusiasm.

Impact of the role:

- Actively contribute to meaningful conservation efforts and make a positive impact on Florida's environment.
- Gain valuable experience and knowledge in community engagement, environmental stewardship, and habitat representation.
- Join a community of like-minded individuals who enjoy the outdoors and are passionate about wildlife and habitat conservation.

Supervision: You will report to the Education and Outreach Coordinator, who will be responsible for your training and scheduling.

Training opportunities: An online training will provide information on the work of our organization, how to respond to FAQ's and refer questions to staff. Meetings with Education and Outreach Coordinator will provide additional training

Time Commitment: At least 1 project a year is recommended.

Join us and help us keep Florida wild!

Note: This is a volunteer position. Travel expenses related to volunteer activities may not be eligible for reimbursement, subject to organization policies.
